

A collection of various black plastic and metal components, including a large ring, a funnel, a small cup, and a long tube, arranged on a white background with large black and orange geometric shapes. The components are arranged in a cluster, with some standing upright and others lying flat. The background features large, stylized black and orange shapes that resemble the letters 'H' and 'A'. A diagonal watermark reading 'HIPWELLARDEN.CO.UK' is visible across the image.
